POST-GRADUATE DIPLOMA IN OCCUPATIONAL HEALTH

Applications are invited for 2017 admission to the Postgraduate Diploma in Occupational Health. This programme is intended to provide graduates with competence in the field of occupational health, skills necessary to render effective, ethical and quality occupational health services in the private, public and academic sectors.

The Postgraduate Diploma is offered over two years of part-time tuition.

Applicants should have as a minimum, a Bachelor of Science (Honours) or equivalent. All applicants must complete and send the necessary application forms which can be downloaded from <http://doeh.ukzn.ac.za/Homepage.aspx>, together with their curriculum vitae, a motivation indicating their current or future role in occupational health. Computer literacy is a requirement.

Further details are available on the website: <http://doeh.ukzn.ac.za/Homepage.aspx>

Closing date for applications is 31 October 2016.

Address your applications to: Mr SE Ngema, Discipline of Occupational and Environmental Health, 321 George Campbell Building, University of KwaZulu-Natal, Howard College Campus, Durban, 4041, South Africa.

Enquiries: Tel: 031 260 4070/4507, SE Ngema, or e-mail: ngemas1@ukzn.ac.za
